

Smithfield featured in national DAR magazine

Smithfield is the featured Historic Home in the current issue of "American Spirit", the magazine of the National Society of the Daughters of the American Revolution!

This is a tremendous honor, and appropriate too, considering William and Susanna Preston's contributions to the cause of Liberty. It follows on the heels of Virginia's state DAR considering us for designation as a DAR "shrine", and also an NSDAR grant to help install our blacksmith shop. Much thanks to Smithfield members Judith Jones and Joann Sutphin -- Regent and Vice-Regent, respectively, of the Alleghany Chapter of the DAR -- for bringing us to the attention of the national organization!

Below is a link to the NSDAR website in case you are interested in subscribing to "American Spirit". Since you can't view the article at the DAR website, I've attached a mock-up used in preparation. Please note our own Mallory Hoffman took the photos!
